

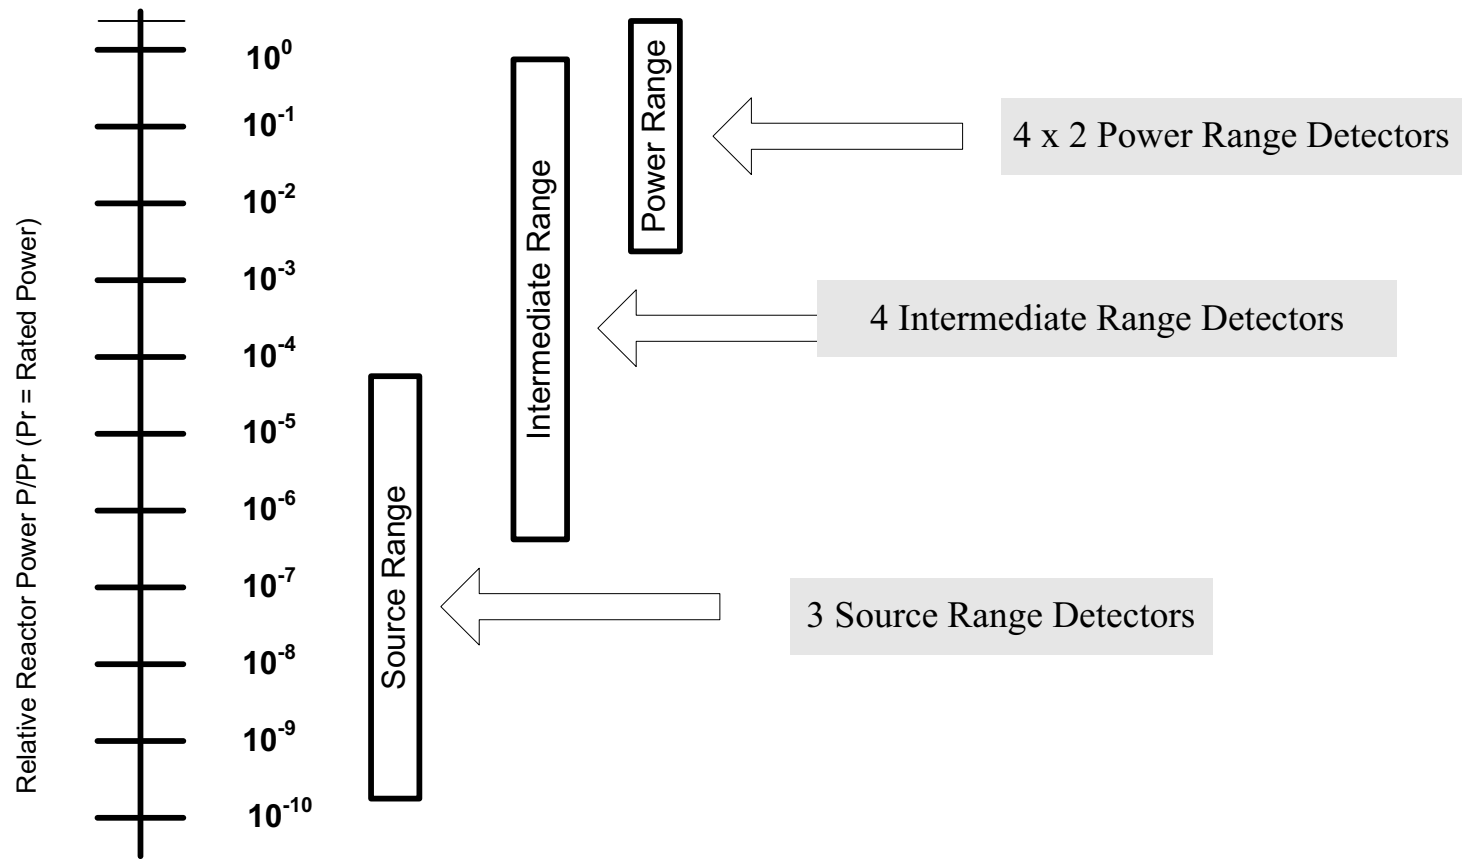

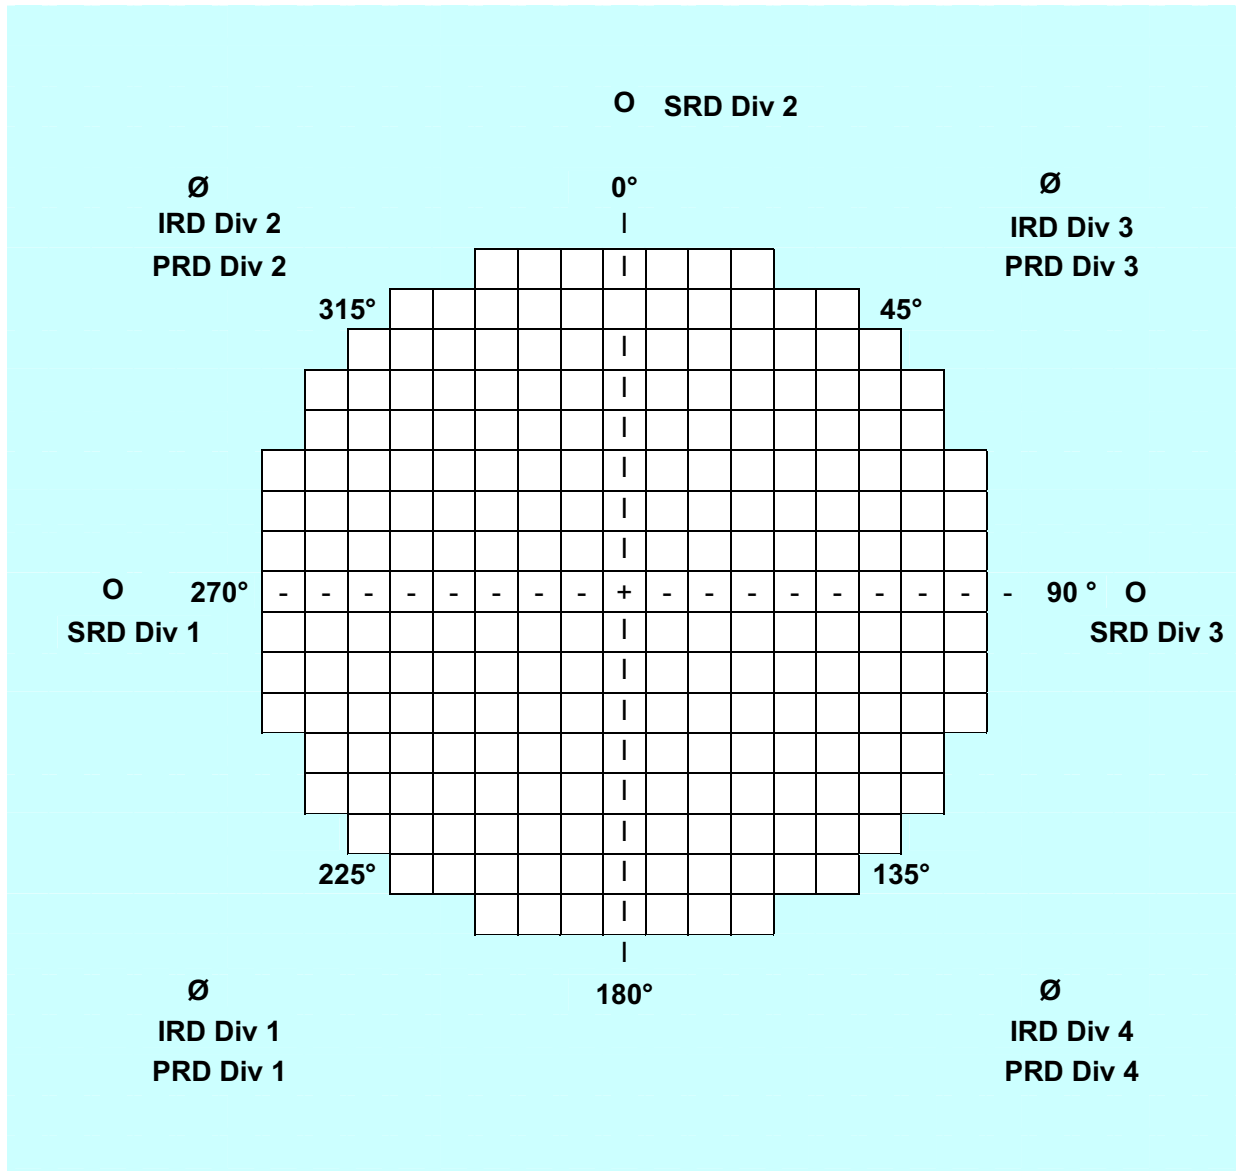

Figure 7.1-14—Measuring Ranges of Excore Instrumentation

EPR3065 T2

Figure 7.1-15—Excore Instrument Detector Locations

**Notes:**

- |          |   |                             |                            |
|----------|---|-----------------------------|----------------------------|
| 1. PRD : | Ø | Power Range Detector        | 4 locations of 2 detectors |
| 2. IRD : | ∅ | Intermediate Range Detector | 4 locations of 1 detector  |
| 3. SRD : | O | Source Range Detector       | 3 locations of 1 detector  |
