Subject: William States Lee III Nuclear Station, Units 1 and 2
NPDES Permit Application
Permit Number SC0049140
Cherokee County, South Carolina

Dear Mr. Thompson:

Enclosed are three sets of updates to the NPDES permit application Mixing Zone Report for William States Lee III Nuclear Station. This update primarily includes the addition of Figures 23 and 24, which add further clarification to the projected plume size. Pages A-9 through A-12 have also been revised to provide additional clarification on the river intake and also Pond A intake.

Please contact me at 704 382-4669 if you have questions or need additional information.

Sincerely,

A handwritten signature in black ink that reads 'Robert Wylie'.
