Re: Request for scoping comments concerning the shine medical technologies radioisotope production facility application review.

Dear Melanie C. Wong:

This letter is in response to the proposed project referenced above, as provided in the letter dated July 1, 2013. As this project occurs within Potawatomi ancestral and previously occupied lands, we would like to express our concerns with any impacts to historic and cultural properties located within the project area of potential effect for the project mentioned above.

We appreciate receiving results of an archival review, cultural resource investigation studies, and archaeological reports. Should there be an impact or effect to cultural or historic properties as a result of this project, we will request consultation pursuant to Section 106 of the National Historic Preservation Act, as amended:

You may send the results of the archival review, cultural resource assessments, and archaeological report to:
