SUBJECT: NEWPAGE CORPORATION, NOTIFICATION OF COMPLETION INDIRECT  
TRANSFER OF CONTROL AND SUBSEQUENT EMERGENCE OUT OF  
BANKRUPTCY PROCEEDINGS, CONTROL NO. 576888

Dear Mr. Schneider:

This is in reference to your letter dated June 25, 2013, notifying this office of the administrative changes to your initial request for indirect transfer of control, and the consummation of the requested transfer of control. It is my understanding that with the approval of your reorganization plan by the Bankruptcy Court, NewPage Corporation, the parent company of Luke Paper Company has emerged out of the bankruptcy, and that Luke Paper Company continues to operate without any material changes to its NRC-licensed activities.

Based on the above understanding, we have updated our records related to Luke Paper Company. Please let this office know immediately, in writing, if my understanding is in error. No further correspondence on this matter is required. However, please feel free to contact me at (610) 337 6945 if you have any questions in this matter.

The NRC's Safety Culture Policy Statement became effective in June 2011. While a policy statement and not a regulation, it sets forth the agency's *expectations* for individuals and organizations to establish and maintain a positive safety culture. You can access the policy statement and supporting material that may benefit your organization on NRC's safety culture Web site at <http://www.nrc.gov/about-nrc/regulatory/enforcement/safety-culture.html>. We strongly encourage you to review this material and adapt it to your particular needs in order to develop and maintain a positive safety culture as you engage in NRC-regulated activities.

M. Schneider
