Subject: Quarterly Report to be Withheld from Public Disclosure Under 10 CFR 2.390

Dear Mr. Bhachu,

Voith Paper Inc. provides paper quality measurement equipment used in the manufacture of paper.

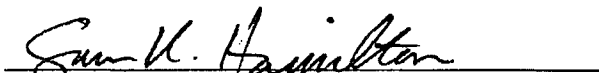

As this is a very competitive industry Voith requests that all Device Transfer Reports be withheld from public disclosure under 10 CFR 2.390 as this gives our competitors insight into our business activities.

If there are any comments or questions please do not hesitate to contact me at (920) 750-3741 or by email at david.pickett@voith.com

Sincerely,

David Pickett
Radiation Safety Officer
