Attention: GLTS Manager

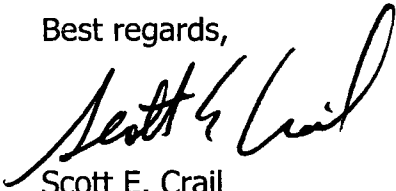

Subject: Request to Withhold Information per 10 CFR 2.390

Ladies and Gentlemen:

The Ion Mobility Analyzer manufactured by Delphi Control Systems, Inc., contains a low level source (titanium foil) as a sealed ionization source. The manufacture of the analyzer and replacement cells is authorized under California Radioactive Material License Number 4143-19. The attached Affidavit requests that the commercially privileged information be withheld from public disclosure to avoid harm to the well being of Delphi Control Systems business.

Please provide a response to the attached at your earliest convenience and should an alteration to the request be required please provide guidance for the proper completion of the request.

Best regards,

Scott E. Crail  
Radiation Safety Officer  
(909) 593-8099, Ext. 224

Enclosure: Affidavit

# **Delphi Control Systems, Inc.**

## **AFFIDAVIT**

I, **Beth A. Barbone**, state as follows:

- A) I, President and Owner, have the authority to apply for the withholding of information as allowed for by Code of Federal Regulation 10 CFR 2.390.
- B) Delphi Control Systems, Inc. is authorized under California Radioactive Material License Number 4143-19 to distribute and receive the sealed ionization source as described in the quarterly reports that are provided to the entities where the units are shipped to and/or from.
- C) The Quarterly Reports provided by Delphi Control Systems, Inc. contain commercially privileged information, for example customer name and contact information, that if disclosed publically, would cause substantial harm to Delphi Control Systems, Inc.'s competitive position.
- D) I, President and Owner of Delphi Control Systems, Inc., request that the Quarterly Reports provided by Delphi Control Systems, Inc. be withheld and not be publically disclosed on the grounds under 10 CFR 2.390, Section (4); "commercial or financial information".
- E) The reports are titled on the top of each page:

**Delphi Control Systems Inc.**  
**MODEL D CELL (P/N 4402)      Page X of Y**  
**QUARTERLY REPORT**  
**X<sup>th</sup> QUARTER, "Year"**

- F) I, President and Owner of Delphi Control Systems, Inc., request that the entire contents of the columns of the report titled "Shipped To:" and "Shipped From:" be completely blanked out and not publically disclosed.

I declare under penalty of perjury this affidavit and information stated within are true and correct to the best on my knowledge.

Executed on this 9<sup>th</sup> day of May 2013.

x Beth A. Barbone  
Beth A. Barbone, President
