CONDITIONS

10. Radioactive material shall be used only at the following locations:
- Temporary job sites in the United States where the U.S. Nuclear Regulatory Commission maintains jurisdiction for regulating the use of licensed materials, including areas of exclusive Federal jurisdiction with Agreement States.
- If the jurisdiction status of a Federal facility within an Agreement State is unknown, the licensee should contact the federal agency controlling the job site in questions to determine whether the proposed job site is an area of exclusive Federal jurisdiction. Authorization for use of radioactive materials at job sites in Agreement States not under exclusive Federal jurisdiction shall be obtained from the appropriate state regulatory agency.
11. The licensee shall not vacate or release to unrestricted use a field office or storage location whose address is identified in Condition 10, without prior U.S. Nuclear Regulatory Commission approval.
