Subject: Honeywell, Metropolis, IL -- public notice of RCRA draft permit renewal attached

Please find the attached public notice announcing the availability at the Metropolis Public Library of the draft Resource Conservation and Recovery Act (RCRA) permit renewal for Honeywell International's Metropolis facility and a copy of Honeywell's permit application materials.

This notice also announces the opening of a 45-day comment period on that draft permit; the end of the comment period is September 28, 2013.
