Doel 3 Brief/Next Steps Meeting

November 1, 2012, 0830

Purpose: RES Management requested that we meet and decide on what we recommend to do regarding Doel 3 support and agree up through Stacey/Al level.

Gary's Questions to Get the Conversation Rolling:

1. What (if anything) has anybody done regarding the FOIA? If nobody, who will print-out the Sharepoint site?

2. What (if anything) are we doing to support the Belgians going forward?

3. What (if anything) are we doing for the U.S. fleet?

4. Are we authorized to go back to Belgium, if requested, before the end of the year? Is everyone available to go back to Belgium before the end of the year?

5. Can NRC host a meeting of the Belgians in 2 weeks? (see attached)

6. Anything else?
