Subject: conversation on August 14 requesting extension for response to RAI
Date: Wednesday, August 14, 2013 1:26:00 PM

Grace,

Thanks for calling to discuss the RAI letter you received. You are correct, the date of the letter was much earlier than the mailing date. Based on our discussion, and the actions you need to take prior to responding to the RAI, you may have an extension of 30 days to respond to the letter.

If you have any other questions, feel free to contact me again by telephone or email. I will be out of the office on August 16 and August 29-30 but should be available the other regular workdays.
