NOTICE

This message is intended only for the use of the individual or entity to which it is addressed and may contain information that is privileged, confidential, or exempt from disclosure under applicable law. If the reader of this message is not the intended recipient or the employee responsible for delivering the message to the intended recipient, you are hereby notified that any dissemination, distribution or copying of this communication is strictly prohibited. If you received this communication in error, please notify the sender immediately by telephone and return the original to the above address, by U.S. Mail. Thank You.

The following additional information is needed to review your request.

1. Please note, your license authorizes only temporary jobsites. There are no specific addresses listed on the license as locations of use. Therefore, we cannot remove the three locations of use you requested removed. Please be reminded you still need to perform close-out surveys and keep records in accordance with the NRC regulations and your license.
2. For each physician you wish added to the license, please specify what you wish that individual authorized to use. For example, your license authorizes the materials in 10 CFR 35.100 and 200 so you need to specify if you wish the physician authorized to use 35.100 or 35.200, or both 35.100 and 200.
3. For each physician you wish to add, please submit a copy of the license that authorized the individual as a physician user and the materials the physician was authorized to use. For example, on your NRC license 12-32798-01, Helen Reich, M.D. is authorized as a physician user and may use the materials in 10 CFR 35.100 and 35.200.

Please send a facsimile (630- 515-1078) of your response to the above within 7 days and state, Response to Control 581251. Please include a cover letter on company letterhead, dated and signed (signed by an individual who is authorized to sign official documents on behalf of the licensee) with your response letter. Please call me at 630-829-9839 if you have any questions.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this facsimile and the attached documents will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).
