All,

There was some confusion on where the Riverlands acres are included in the SSES or BBNP project boundary and Rocky states below that they are part of the SSES 1080 acres. If this does not resolve the issue, please let me know.

Laura,

I'm not sure where the confusion lies. Figure 2.1-1 clearly shows that the Riverlands is part of the SSES 1080 acres. I didn't see anything in the STO -02 response that conflicts with it?

Here is the email we looked at:

I think the confusion stems from trying to reconcile the "Project Boundary" shown in Figure 2.1-1 and Figure 2.2-1 with the acreages reported in the response to STO-02. I'm still trying to confirm whether the 2,055 acre figure for the area within the Project Boundary includes the 400 acre Riverlands Recreation Area or not. Clearly the Riverlands Rec Area is located within the Project Boundary in both figures.

Which Property Boundary option below do you think is correct?

Option 1	Option 2	Option 3
SSES=1080 ac		
Riverlands=400 ac	SSES=1080 ac ^a	SSES=1080 ac
BBNPP=975 ac	BBNPP=975 ac	BBNPP=975 ac
Total=2455 ac	Total=2055 ac	Total=2055 ac ^b

^a includes 400 ac Riverlands

^b Total does not include Riverlands; however Riverlands is located within the Project Boundary
