Subject: STP - 2-week Look-Ahead Actions (August 5, 2013)

John,

I have the following to-go actions for Chapter 3 and one for fuel topical reports:

1. FSAR CR to address 3.9.6 comments from Tom Scarborough in his Rev 9 review and 3.9.6 confirmatory items. The 3.9.6 SER has been revised to show outstanding FSAR changes as errata.
2. Letter from NINA to address ACRS' comments on using two different earthquakes in Chapters 3.7/3.8.
3. FSAR CR to show the use of two earthquakes.
4. Identification of any potential discussion of ACRS action items related to Chapter 3 for November 22, 2013 presentation (candidate: turbine maintenance program).
5. Fuel topical reports SER and upcoming actions.

We can discuss these in the August 14 OI call, or sooner if you have updates.

Regards

Tom Tai
