SUMMARY

This refers to your license renewal application dated February 22, 2013.

- A. In NRC Form 313, Item 2, "Name and Mailing Address," the mailing address is different than what is currently listed on your license.

RESPONSE: Please confirm in writing the correct mailing address.

- B. In NRC Form 313, Item 3, "Address of Use," you included one address where material will be stored and used. However, there are several location of use currently listed on your license.

RESPONSE: Please confirm in writing all of the locations where the gauges will be used and stored. If any of the locations currently listed on your license are no longer used, please indicate that the location should be removed from the license and provide the most recent leak test results for any device stored at that location and confirm in writing that there are no longer devices stored there.

Please note that we will not be able to release locations from your license without this information.

- C. In your application, you indicated that the gauging devices you possess include Troxler Model Number 3400 Series. However, your current license Troxler Model Numbers 3241C and 4640 that were not requested on your application.

RESPONSE: Please respond in writing confirming the manufacturer, model number, and quantity for each gauging device you currently possess. If there are any models which you plan to remove from your license, please provide final disposition records for the source. These records could include acknowledgement of receipt, and/or proof of receipt and a copy of the license verifying that the company receiving the material was licensed to do so.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.
