Subject: FYI: Receipt of Texas CEQ response to NRC's comment letter date August 13, 2013

Dear Mr. McGuire:

The Office of Federal and State Materials and Environmental Management Programs has received your August 26, 2013, letter transmitting the Texas Commission on Environmental Quality's response to the outstanding comment regarding your equivalent Part 40 provisions. We will consider the information you have provided in your letter and provide you with a formal response.

The review has been assigned to Dennis Sollenberger and it is our goal to complete the review within 60 days. If you have any further comments or questions, please contact me. Thank you for your attention.
