Subject: Response to U.S. EPR Design Certification Application FINAL RAI No. 581, FSAR Ch.19 - NEW PHASE 4 RAI, Supplement 2

Amy,

AREVA provided a schedule for the response to the two questions in RAI 581 on May 20, 2013. On July 24, 2013, AREVA provided a final response to Question 19-368 in Supplement 1.

AREVA is in the process of re-evaluating our schedule for the remaining work to complete the design certification application. Additional schedule information will be provided in FSAR chapter closure plans to be provided in the near term, as previously discussed. Until the closure plans are finalized, AREVA can not specify a date for completion of Question 19-369.

A schedule for the final response to RAI 581 Question 19-369 has been revised as provided below:

Question #	Response Date
RAI 581 — 19-369	TBD

Sincerely,

Nathan Hottle

Subject: Response to U.S. EPR Design Certification Application FINAL RAI No. 581, FSAR Ch.19 - NEW PHASE 4 RAI, Supplement 1

Amy,

AREVA NP Inc. provided a schedule for the response to the two questions in RAI 581 on May 20, 2013.

The attached file, "RAI 581 Response Supplement 1 US EPR DC.pdf," provides a technically correct and complete final response to Question 19-368. Appended to this file is the affected page of the U.S. EPR Final

Safety Analysis Report in redline-strikeout format which supports the final response to RAI 581 Question 19-368.

The following table indicates the respective pages in the response document, "RAI 581 Supplement 1 Response US EPR DC.pdf," that contain AREVA NP's response to the subject question.

Question #	Start Page	End Page
RAI 581 — 19-368	2	2

The schedule for a technically correct and complete final response to the remaining question is unchanged as provided below.

Question #	Response Date
RAI 581 — 19-369	August 30, 2013

Sincerely,

Dennis Williford, P.E.
U.S. EPR Design Certification Licensing Manager
AREVA NP Inc.

Subject: Response to U.S. EPR Design Certification Application FINAL RAI No. 581, FSAR Ch.19 - NEW PHASE 4 RAI

Amy,

Attached please find AREVA NP Inc.'s response to the subject request for additional information (RAI). The attached file, "RAI 581 Response US EPR DC.pdf," provides a schedule since a technically correct and complete response to the two questions cannot be provided at this time.

The following table indicates the respective pages in the response document, "RAI 581 Response US EPR DC.pdf," that contain AREVA NP's response to the subject questions.

Question #	Start Page	End Page
RAI 581 — 19-368	2	2
RAI 581 — 19-369	3	3

The schedule for a technically correct and complete response to these questions is provided below.

Question #	Advanced Response Date	NRC Comment Request Date	Response Date
RAI 581 — 19-368	June 28, 2013	August 16, 2013	August 30, 2013
RAI 581 — 19-369	N/A	N/A	August 30, 2013

AREVA NP believes that an advanced response for Question 19-369 is not necessary since there is no technical content for the NRC to review, but is an administrative tool to assist NRC staff in resolving the safety case.

Sincerely,

Dennis Williford, P.E.
U.S. EPR Design Certification Licensing Manager

Subject: U.S. EPR Design Certification Application FINAL RAI No. 581, FSAR Ch.19 - NEW PHASE 4 RAI

Attached please find the subject request for additional information (RAI). A draft RAI was provided to you on March 19, 2013. On March 26, 2013, you informed us that the draft RAI does not contain proprietary information and that the draft RAI is clear and no further clarification is needed; As result, the RAI was not changed..

The schedule we have established for review of your application assumes technically correct and complete responses within 30 days of receipt of RAIs,. For any RAIs that cannot be answered **within 30 days or May 20, 2013**, it is expected that a date for receipt of this information will be provided to the staff within the 30-day period so that the staff can assess how this information will impact the published schedule.

Thank You,

Amy
