Subject: IRI release of Proprietary Information

Mr. Pannier,

IRI releases the U. S. Nuclear Regulatory Commission (US NRC) from any liability associated with, any and all IRI proprietary rights in IRI's Final Report on Foxboro N-2ARPS-A6 power supplies dated July 5, 2013.

In this case the US NRC and entire nuclear community are considered to be IRI clients and as such may freely disclose, copy, disseminate, distribute or publish said report in ANY medium they find appropriate.
