Amy,

AREVA has reviewed Draft RAI 600. We have no questions and do not require clarification. There is no proprietary information contained in the RAI. We understand that this is the RAI that was previously discussed as a Round 9 RAI on ANP-10285P. Please send the RAI as final. Thank you.

Attached please find Draft RAI No. 600 regarding your application for standard design certification of the U.S. EPR. If you have any questions or need clarification regarding this Draft RAI, please let me know as soon as possible, I will have our technical Staff available to discuss them with you.

Please also review the draft RAI to ensure that we have not inadvertently included proprietary information. If there is any proprietary information, please let me know within the next ten days. If I do not hear from you within the next ten days, I will assume there are none and will make the Draft RAI publicly available.
