Dear Lee and Jim,

This refers to your letter dated July 11, 2013, requesting a change of mailing address from Alabama to Tennessee. Please note that the first two digits of an NRC license number are determined based on the State. Therefore, we plan on terminating your NRC License No. 01-25284-01 and issuing you NRC License No. 41-08165-19.

However, you have financial assurance with your 01-license. We need to amend your financial assurance for your new license. I have provided you with the new license and docket numbers listed above. The license will look the same except for the mailing address, the license and docket numbers and I plan to add the July 11th letter to the tie down (last) license condition. How quickly can you get me the financial assurance?

Your cooperation is greatly appreciated.
