Subject: CGS BA and EFH

I sent the CGS BA and EFH for the aquatic species on Friday, but the document was too large and it bounced back. So I put it on a SharePoint site that Dennis L is able to access, and he pulled it off of the site and has started reviewing the document. If the rest of you need a copy I'd be happy to send you a disk or place it on an FTP site or perhaps Dennis would be willing to place it on one of your internal share drives or SharePoint sites.

Let me know how you would like me to proceed on transmitting the file.

Thanks!
Becky
