Dan – I reviewed both of the letters and they look well written to me. I have no additional comments. Thanks!

Ali and Briana (for Dennis),

Please review the attached letters to the U.S. Fish and Wildlife Service and NMFS that I prepared for issuance of the Columbia DSEIS.

Briana, I know this isn't your project but I was hoping you could just review it anyway and let me know if it looks okay to you.

Please let me know if you have any revisions or comments.

Thanks,

Becky,

Please review them and let me know if you have any revisions or comments.

Thanks,
