Andy,

Becky and I are gathering information to respond to NMFS's Additional Information Request for Columbia. Who would be the best person to call NMFS and respond to this: Paula or me?

Dennis

Dennis,

Here is the email from Rich Domingue for your response.

Thanks,  
Dan

Dan, Check in. At the time we conveyed our additional information request, we weren't certain NRC would pursue our request as there were questions regarding authority. Could you tell me, is NRC pursuing response to the AIR, or do authority questions remain?
