Dear Dr. Lipoti:

On behalf of your friends and colleagues at the U.S. Nuclear Regulatory Commission (NRC), and in particular, the Office of Federal and State Materials and Environmental Management Programs and Region I, we wish you the very best in your retirement. I want to personally recognize your 26 years of faithful and exceptional public service provided to the State of New Jersey, the Organization of Agreement States, Inc. The nation has benefitted from your continued excellence in fostering a positive working relationship among the NRC, OAS, CRCPD, and related organizations. Your support to the NRC as the State Liaison Officer Designee was very much appreciated and has strengthened the State of New Jersey's relationship with the NRC.

We are truly grateful for your many contributions and your efforts to help ensure consistent high standards of quality in radiation protection programs across the nation.
