Don,
Am I correct in characterizing this email submittal as augmenting the response in E-35274 CoC1029 Amd-3 submittal to NRC dated 6/10/2013, revised response to RAI 3-1, page 4, to illustrate that "The weld stresses are obtained after selecting only the 'weld' layer of element and the layer of adjacent elements?"

Steve,

Contrary to my previous email, TN is able to provide you the requested CoC 1029 Amendment 3 RAI 3-1 information today. The information is shown below. Should you have any further questions or need for information, please let me know.

Regards,

Don Shaw

Steve,

We received your voice mail. We understand what you are asking for. We do not have the personnel here today to provide this. We will provide the information on Monday. I will be out and the information will likely come from Glenn Mathues.

Regards,

Don Shaw
