9/12/2013 (12:03) I left a message for Mr. Brandon to return my call regarding the pending expiration of the NRC license. (12:30) Mr. Brandon returned my call. He stated that a renewal application had been sent in to headquarters two weeks ago. I informed him that, as of this date, nothing was in ADAMS so he might have to keep tabs on the processing of the application in case it was misplaced.
