COMMERCIAL SEARCH REVIEW & RESPONSE

REASONABLY DESCRIBE RECORDS: (Selected AEC Manual Chapters and General Manager's Bulletins)

The attached document entitled, "Department of Energy Headquarters Records – Atomic Energy Commission Regulations Files" (file name "AEC Manual Index-DOE Records.pdf") was found online at <https://www.osti.gov/opennet/servlets/purl/16369854-PR5Wri/16369854.pdf>. It was prepared in 1996 by Roger M. Anders of the Office of Human Radiation Experiments and provides a brief history and description of these documents. At the time this document was prepared, the DOE Office of Personnel was the custodian of these files. Transfer Request Forms attached to this document include listings and box numbers of the Manual Chapters and Bulletins.

The other document I have attached (file name "AEC Manual Chapters Request.pdf") is a subset of the document discussed above. On it, I have highlighted those AEC Manual Chapters and General Manager's Bulletins that I am seeking in this FOIA request. This request consists of 52 Chapters and Bulletins.

SPECIFY PREFERRED FORM OR FORMAT: Electronic copies on CD preferred.

TYPE of REQUESTOR: Affiliated with a private corporation and seeking information for the use in the company's business.

FEES and WAIVERS: I agree to pay all applicable fees.

EXPEDITED PROCESSING: No.

Please feel free to contact me with any questions.
