Amy,

An advanced response to RAI 572 Question 19-365 was transmitted to you on June 28, 2013. ~~AREVA understands that the NRC staff needs additional time to complete their review and provide complete feedback. AREVA will provide a revised schedule for submittal of the final response to this question after receipt and evaluation of all NRC staff comments.~~ The July 2013 PRA audit resulted in an action item for AREVA to revise the response to RAI 572 Question 19-365. Therefore, AREVA will revise the response as part of resolution of PRA audit action items.

The schedule for a technically correct and complete final response is shown below.

Attached, please find the subject requests for additional information (RAI). An advanced RAI was provided to you on February 8, 2013, and discussed with your staff on March 1, 2013. The advanced RAI was modified as a result of that discussion. On March 8, 2013, you informed us that the advanced RAI is clear and no further clarification is needed and

that the RAI does not contain any proprietary information. The schedule we have established for review of your application assumes technically correct and complete responses within 30 days of receipt of RAIs. For any RAIs that cannot be answered **within 30 days or April 12, 2013**, it is expected that a date for receipt of this information will be provided to the staff within the 30-day period so that the staff can assess how this information will impact the published schedule.”
