Subject: Request for Five Year Renewal of Certificate of Compliance No. 9252 for the Model No. 51032-2 Packaging; Docket No. 71-9252

By this letter, AREVA NP Inc., per the provisions of 10 CFR 71.38, formally requests a five year renewal of Certificate of Compliance 9252 for the 51032-2 packaging. The expiration date of the current certificate is October 31, 2013. AREVA NP requests that the table listed in Section 5.(b)(1) on page 2 be replaced with Table 6-1 from the 51032-2 Safety Analysis Report (SAR) 51-9092928-002 which was submitted to the NRC on July 7, 2009 and approved by the NRC on September 9, 2009. The contents table on page 2 of Revision 7 of Certificate 9252 should have been changed to incorporate Table 6-1 from the approved SAR. The contents table listed on page 3 of Certificate 9252 Revision 7 is correct. The contents tables on pages 2 and 3 may need to be split into two tables for clarity purposes. In addition, AREVA NP requests that the registered user contact for AREVA NP be changed to:
