Desc: 1. Please provide copies of all licenses and license renewals issued by the NRC to Quantum Technical Services, Inc., Quantum Technical Services, LLC or QuantumTec, Inc. between January 1, 2000 and the present.

2. Please provide copies of all licenses and license renewals issued by the NRC pursuant to 10 CFR §32.11 (i.e., exempt distribution licenses) between January 1, 2000 and the present, to any person or entity that conducts tracer studies in refineries.

3. Please provide copies of all other licenses and license renewals issued by the NRC between January 1, 2000 and the present, to any person or entity that conducts tracer studies in refineries.

4. Please provide copies of all state licenses and license renewals in the NRC's possession that were issued by an Agreement State between January 1, 2000 and the present, to any person or entity that conducts tracer studies in refineries, and that purport to authorize the introduction and/or transfer of exempt quantities of byproduct material to any person or entity exempt from NRC licensing requirements. This request includes licenses issued specifically to address matters subject to 10 CFR §32.11 (i.e., the NRC's exempt distribution license requirement), and possession licenses which contain provisions purportedly authorizing such introductions and/or transfers.

5. The Summer 2012 edition of the NRC's Licensee Newsletter (available at <http://www.nrc.gov/reading-rm/doc-collections/nuregs/brochures/br0117/12-02.pdf>) contains an article entitled "Transfer of Radioactive Byproduct Materials," which begins, "From recent inquiries, the FSME staff has developed a discussion . . ." Please provide names and contact information for the persons or entities who made such inquiries, as well as copies of any communications between the NRC and such persons or entities.
