**SUBJECT:** Response to Request for Additional Information Regarding License Amendment Request concerning PT-Limits and LTOP Requirements (TAC NO. MF0634) Indian Point Unit Number 2  
Docket No. 50-247  
License No. DPR-26

**REFERENCES:** 1. NRC Letter to Entergy, Request for Additional Information Regarding License Amendment Request concerning PT-Limits and LTOP Requirements (TAC NO. MF0634), dated June 13, 2013.  
2. Entergy Letter NL-13-001 to NRC, Proposed Changes to Indian Point 2 Technical Specifications Regarding Reactor Vessel Heatup and Cooldown Curves and Low Temperature Over Pressure Requirements, dated February 6, 2013.

Dear Sir or Madam:

Entergy Nuclear Operations, Inc., (Entergy) is hereby providing the attached response to the NRC Vessels and Internals Integrity Branch (EVIB) request for additional information, Reference 1, associated with the proposed changes to the Indian Point 2 Technical Specifications in Reference 2. The proprietary version of this response is provided in Attachment 1 and the non-proprietary version is provided in Attachment 2. The Electric Power Research Institute (EPRI), the owner of the proprietary information used in the Indian Point 2 response has provided a signed supporting affidavit in Enclosure 1. This affidavit sets forth the basis on which the information in Attachment 1 may be withheld from public disclosure by the Commission and addresses with specificity the considerations listed in paragraph (b)(4) of 10 CFR 2.390 of the Commission's regulations. Accordingly, it is respectfully requested that the information, which is proprietary to EPRI, be

withheld from public disclosure in accordance with 10 CFR 2.390 of the Commission's regulations. The proprietary information in Attachment 1 is contained within double brackets with the superscript {E}. The proprietary information has been deleted in Attachment 2, so that only the double brackets with the superscript {E} remain.

A copy of this response and the associated attachment is being submitted to the designated New York State official in accordance with 10 CFR 50.91.

There are no new commitments being made in this submittal. If you have any questions or require additional information, please contact Mr. Robert Walpole, Manager, Licensing at (914) 254-6710.

I declare under penalty of perjury that the foregoing is true and correct. Executed on October 3, 2013.

Sincerely,

JAV/ai
