**Subject:** Endorsement of NEI 13-01, "Reportable Action Levels for Loss of Emergency Preparedness Capabilities," Revision 0, dated October 2013

**Project Number: 689**

Dear Mr. Lewis:

The Nuclear Energy Institute (NEI) and an industry task force have developed and are seeking NRC endorsement of NEI 13-01, "Reportable Action Levels for Loss of Emergency Preparedness Capabilities," Revision 0, dated October 2013. To facilitate your review, a copy of this document is attached.

The attached document incorporates changes and clarifications suggested by the Reportable Action Level Task Force. This version supersedes an earlier one provided for staff review dated June 2013 (ADAMS ML 13161A054); no further review work should be undertaken on this earlier submittal.
