

Radiological Physics Service**3839 Napier Road****Plymouth, MI 48170****734-455-4730****Radiation Safety Training****September 19, 2013**

A review of radiation safety procedures was done with Lloyd Farinash, M.D.

The following subjects were reviewed:

NRC rules and regulations:

10CFR19, 10CFR20, 10CFR 35, NUREG 1556 (vol 9), Reg Guide 8.13, and Reg Guide 8.29.

Radiation safety and protection in nuclear medicine.

Instrumentation and quality control.

Written directive requirements and procedures.

Therapy patient release policies and rules.

This was a one hour review class.
