Scott,

Dr. Corradini agreed to have the closed session in the morning to discuss 3.9.2 and open the afternoon for other sections of Chapter 3, plus ACRS action items and public discussion.

Attached is the revised agenda. Except for telephone numbers, the agenda items will remain unless I receive comments from you or our branch chiefs, or influenced by other circumstances such as furlough. I will issue this to ACRS as final in mid-November with our presentation slides.

Tom

Is there any way we can do the FIV stuff first then do the Open Items. I would hate to run out of time with our contractors and we can do the Open Items at a later date if we have to.
