RSO Change Request

SUMMARY

This refers to your letter dated July 9, 2013, requesting that John Beyer, R.Ph. be named RSO for this license. However, your request failed to include several pieces of information in order for us to approve this change.

1. Please provide a description of the duties and responsibilities for Mr. Beyer as RSO. Appendix H in NUREG 1556, Vol. 13, Rev. 1 may assist you.
2. Please provide a "Delegation of Authority" modeled after the sample in NUREG 1556, Vol. 9, Rev. 2, Appendix I, the last section. This will need some slight modification for your program type. A senior management official and Mr. Beyer should sign this document, which will also serve as Mr. Beyer's consent to accepting the position as RSO.
3. Please specify how much time Mr. Beyer will be expected to serve as RSO for this license, as we are aware that he is also being considered as RSO for another license in your company.

Please note that your currently signed, dated, written response may be faxed to us at 630-515-1078. Please do not combine your response to this control number with a response to any other licensing action. Please be advised that NRC currently anticipates commencing furloughs in accordance with the federal government shutdown in a few days, probably on or after Oct. 11, 2013.
