Subject: RE: SE Input for Proprietary Review

Joel,

We have determined that there is no proprietary information in the draft SER.

We do have a couple of minor comments on the LEFM section for your consideration, but I am waiting on a final ok on the wording from the thermal engineer at Byron (it's my fault, I didn't get him the final wording until this afternoon). I'll send them to you on Wednesday as soon as I hear from him.

Leslie E. Holden
Senior Regulatory Engineer
Power Uprate

Subject: SE Input for Proprietary Review

Please note that this is not the final SE input, but we would like you and your vendor to review this for proprietary information.
