Subject: follow up - Word figures needed

John,

As a follow up to our call the other day, I am forwarding you a request for two figures to be made available in Word format. The figures that we want to include in the EA that have changed in the revised ER (and therefore for which we'd need the figures in a version we can pull into Word) are Figure 1.1-7 and Figure 1.4-1. Please let me know if you are able to provide this.

Thank you,

Mirabelle Shoemaker
