Gentlemen:

The enclosed IE Bulletin No. 81-01 is forwarded for your action with regard to your nuclear power facilities with operating license or near term operating license (NTOL).

To assist the NRC in evaluating the value/impact of each bulletin on all licensees, it would be helpful if you would provide an estimate of the manpower expended in the review and preparation of the report(s) required by the bulletin. Please estimate separately the manpower associated with corrective actions required by this bulletin.

Should you have any questions regarding this bulletin or the actions required of you, please contact this office.

Sincerely,

R. H. Engelken
Director
