Dear Mr. Dura:

In accordance with our phone conversation of January 22, 1980, enclosed is a copy of the Commission's Rules of Practice, 10 CFR Part 2. Petitions for leave to intervene should be filed pursuant to 10 CFR § 2.714 and, in the case of a nontimely petition, with additional reference to the factors enumerated in 10 CFR § 2.714(a)(1)(i)-(v).

Also enclosed for your information, is a copy of the petition filed by Intervenor Friends of the Earth, et al., in this proceeding. While this petition is illustrative of format, you should be aware that the requirements of 10 CFR § 2.714 in effect when that petition was filed, have since been changed as reflected in the attached copy of these regulations.

If I can be of any further assistance, please feel free to contact me. My phone number is (301) 492-8658.
