In a July 31, 1980 telephone call from the License Fee Management Branch, SCE was informed that the "Application for Permission to Transfer an Ownership Interest to the Cities of Anaheim and Riverside, California and for Amendment to Construction Permits Nos. CPPR-97 and CPPR-98," submitted to the NRC by letter dated July 17, 1979, is a Class III Amendment with required fee of \$4,400.00. The original application was submitted with a fee of \$1,600.00 which is required for a Class II amendment. Therefore, enclosed is a check for \$2,800.00 to upgrade the July 17, 1979 application to be a Class III amendment.

Please contact me if you have any questions concerning the fee payment or require additional information.
