Mr. H. R. Denton, Director  
Office of Nuclear Reactor Regulation  
U.S. Nuclear Regulatory Commission  
Washington, D. C. 20555

Gentlemen:

Subject: Docket No. 50-361  
Amendment Application No. 10  
San Onofre Nuclear Generating Station  
Unit 2

Enclosed are three executed and thirty-seven conformed copies of Amendment Application No. 10 to Operating License NPF-10 for San Onofre Nuclear Generating Station, Unit 2. Amendment Application No. 10 consists of Proposed Change NPF-10-28 to Facility Operating License No. NPF-10, Technical Specifications incorporated as Appendix A.

Proposed Change NPF-10-28 is a request to revise Technical Specification 3.3.3.9, Table 3.3-13, RADIOACTIVE GASEOUS EFFLUENT MONITORING INSTRUMENTATION. The proposed change permits limited containment purging with the purge system activity monitor 2RT-7804-1 inoperable by providing alternate means of monitoring containment purge gaseous effluent activity.

By letter of August 5, 1982, SCE requested early approval of Proposed Change NPF-10-28 to allow containment purging to avoid a forced shutdown due to high containment pressure. On August 6, 1982 the NRC modified and approved a version of Proposed Change NPF-10-28 for 30 days. In accordance with SCE's August 5, 1982 letter, Proposed Change NPF-10-28 is hereby formally submitted as Amendment Application No. 10 to Operating License NPF-10.

It is respectfully requested that Amendment Application No. 10 be reviewed promptly and appropriate action taken. Direct distribution of Amendment Application No. 10 to Facility Operating License NPF-10 will be made in accordance with the service list provided in SCE's letter of August 2, 1982 to the Commission. An affidavit attesting to the fact that distribution has been completed will be submitted within ten days of amendment docketing.

Mr. H. R. Denton

-2-

August 31, 1982

The proposed change contained in Amendment Application No. 10 is considered to constitute a Class II amendment based on the determination that this change has no safety or environmental significance. Accordingly, enclosed is Southern California Edison Company's check in the amount of \$1,200.00 as required by 10 CFR 170.22.

Very truly yours,

A handwritten signature in cursive script, which appears to read "Robert Dietrich". The signature is written in dark ink and is positioned below the typed name.
