James L. McNees, Director
Office of Radiation Control
Alabama State Dept. of Public Health
201 Monroe St.
P.O. Box 303017
Montgomery, AL 36130-3017

Dear Mr. McNees:

On behalf of your friends and colleagues at the U.S. Nuclear Regulatory Commission (NRC), and in particular, the Office of Federal and State Materials and Environmental Management Programs and Regions I and II, we wish you the very best in your retirement. I want to personally recognize your 42 years of faithful and exceptional public service provided to the State of Alabama, the Organization of Agreement States, Inc. (OAS), the Conference of Radiation Control Program Directors, Inc. (CRCPD), and the NRC. Your tireless efforts and technical expertise have significantly enhanced Federal and State relations. The nation has benefitted from your continued excellence in fostering a positive working relationship among the NRC, OAS, CRCPD, and related organizations.

In your 42 years with the State of Alabama, you have significantly strengthened the State's relationship with the NRC. We are truly grateful for your many contributions and your efforts to help ensure consistent high standards of quality in radiation protection programs across the nation.

Our best wishes and thoughts are with you and your family for happiness and good fortune throughout your retirement.

Sincerely,

/RA/

Brian E. Holian, Acting Director
Office of Federal and State Materials
and Environmental Management Programs
