SUBJECT: CAMPCO, INC., REQUEST FOR ADDITIONAL INFORMATION CONCERNING  
APPLICATION FOR AN AMENDMENT REQUEST

Dear Mr. Slodowitz:

This refers to your response letter that was received on October 18, 2013, and dated September 25, 2013. In order to continue our review, we need clarifications on the following additional information.

In our letter dated September 18, 2013, we requested a copy of your California license that reflects all of your radioactive material use authorization information. We did not receive this information in your response letter.

Although, the timepieces are exempt for labeling, its container shall be labeled with the identification of the manufacturer or initial transferor of the product and the byproduct material in the product. Please provide labeling and marking information on each container for the timepieces distributed under your NRC license.

We will continue our review upon receipt of this information. If we do not receive a reply from you within 30 calendar days from the date of this letter, we will assume that you do not wish to pursue your application.

In accordance with 10 CFR 2.390 of NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in NRC's Public Document Room or from the Publicly Available Records (PARS) component of NRC's Agencywide Documents Access and Management system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.
