Gentlemen:

Subject: Docket No. 50-206
Amendment No. 100
San Onofre Nuclear Generating Station
Unit 1

Upon review of Amendment No. 100 (Proposed Change No. 110) to the San Onofre Unit 1 Technical Specifications it has come to our attention that an undetected typographic error exists in the cover letter to this proposed change. The error occurred in the date of this cover letter found at the top of the page. The date currently reads "August 5, 1983." This obvious typographic error should be noted and corrected to read "August 5, 1982."

If you have any questions, please contact me.

Very truly yours,

R. W. Krieger
