NRC staff contacted the licensee to clarify the following information provided in an amendment request letter dated September 24, 2013 regarding change of Radiation Safety Officer (RSO):

I called to verify if the proposed appointed RSO, Mr. Michael Mink, is to function as a temporary RSO. Mr. Sgambato confirmed that he Mr. Mink will not be a temporary RSO and he is to function as a contractor/consultant RSO.

I informed Mr. Sgambato that he would need to provide some additional information regarding Mr. Mink's function and responsibilities as a consultant RSO and that I would be following up with him on this in a Request for Additional Information via e-mail today.
