PETITION

6/15/81

We, the undersigned, wish to express our support for the operation of the San Onofre Nuclear Generating Station, Units 1, 2, and 3. We are vitally concerned that the economic, environmental and social well-being of the State of California be maintained, and an adequate supply of energy is critical in meeting these concerns. We also feel there must be a strong commitment to conservation of the nations limited resources and development of efficient and secure new sources of energy.
