Rosemead, California 91770

Attention: Mr. Jack B. Moore  
Vice President

Gentlemen:

Subject: Revised Final Report on the Cracking of Stainless Steel Liner  
Plate Material Used In Construction of San Onofre Nuclear  
Generating Station, Units 2 and 3 (your letter of February 1, 1979)

Thank you for your letter, referenced above, which forwarded a revised  
final report pursuant to 10 CFR 50.55(e) regarding the subject matter.

Your report will be reviewed and evaluated, and should we require  
additional information concerning this matter, we will contact you.

Your cooperation with us is appreciated.

Sincerely,

R. H. Engelken  
Director
