Docket No. 72-67

Notification of Completion of Firearms Background Checks in Accordance with
NRC Order EA-13-092

REFERENCE: (a) NRC Order Number EA-13-092, Issuance of Order Designating an Interim Class of NRC-Licensed Facilities that are Eligible to Apply to the Commission for Authorization to Use the Authority Granted Under the Provisions of Section 161A of the Atomic Energy Act of 1954, as Amended, dated June 5, 2013 (ML13038A114).

In accordance with Section IV.3 of NRC Order EA-13-092 (Reference a), this letter provides notification that a sufficient number of personnel have successfully completed the requisite firearms background check such that the R.E. Ginna Nuclear Power Plant, LLC (REG) security organization can be staffed in accordance with REG's NRC-approved security plan, and that the REG site protective strategy and procedures can be effectively implemented while meeting applicable fatigue requirements in 10 CFR Part 26, "Fitness for Duty Programs."
