

The table below lists Sequoyah Nuclear Plant (SQN) green-house gas (GHG) documents available on compact disk (CD) in the NRC's Public Document Room (PDR). These documents are references associated with the Supplemental Environmental Impact Statement for the license renewal application environmental review for SQN.

The PDR is located at NRC Headquarters in Rockville, Maryland, and is open to the public from 7:45 a.m. until 4:15 p.m. Eastern Time. Telephone reference service is provided between 8:00 a.m. and 4:00 p.m., Eastern Time at 301-415-4737 or at 1-800-397-4209, Monday through Friday except Federal holidays.
