Good point Jeff. That's an important meeting to attend.

And good point Gary. RES/DE/CIB does not have the travel budget to support the additional trip to Belgium. With all of the work for North Anna, ASME Code, Belgium, and normal contractor visits, CIB has spent (b)(5) of the fiscal year.

Also January 8th is the same day we had tentatively identified for the Doel 3 public meeting. Maybe it hasn't been noticed yet and the date can be changed to a week or two later.

Note that, under Item 2) below, another set of Working Group meetings in Brussels is requested on 1/8-9. I assume, based on the previous discussions, that RES will not support Carol's and my attendance at that meeting.

Let me know if that has changed.
