RE: *Scull v. The Wackenhut Corporation*
Docket No.: 1:10-cv-4633-AMD-RMB

Dear Ms. Clark:

I represent the Plaintiff Robert Scull in this matter. I am requesting whatever documentation Wackenhut, G4S, or PSEG Nuclear has submitted to the NRC related to the investigation of the licensee subsequent to my client's verdict against Wackenhut/G4S in June of 2013. I note that the Court has granted a new trial on my client's whistleblower claim which will proceed in February. However, I was told at oral argument in court by John Bennett, Esquire, that there was a letter from Steve White which was never disclosed by G4S in discovery. I requested that he provide it but I have not received it. That made me wonder what else might G4S have submitted to the NRC that I have not seen. That is the reason for my request, and I am looking out for my client's interest with the upcoming trial in February in mind.

Thank you for your consideration of this request.

Sincerely,

Matthew S. Wolf
